Poll: Have you watched/participated in any of the previous Blue 8 webinars?

- Yes
- Not yet

What we won't cover today

Overview of Blue 8 changes in features and functionality

- Please watch the previous Blue 8 webinars, which can be accessed via the Archived Webinars on www.bluenotesgroup.com
- Search in the Blue Help Center for "Blue 8" to find Release Notes, a Welcome Guide, FAQs, and more!

Questions specific to your instance/solution of Blue

Your Professional Services team or Customer Success Manager are your best resources for questions related to your unique usage of Blue

Training on Blue 8

- If you have an Explorance Academy Subscription, updated Blue 8 training will be available in the next couple of months
- Reach out to your Professional Services team or Customer Success Manager if you need individual support

Upgrading Your Blue Instance

Blue 8 is available now!

You can upgrade your Blue instance when any live projects have ended.

Reach out to your Professional Services Team when you are ready to upgrade!

Upgrading: Impact on Past Projects

- How will projects created in Blue 7 work in Blue 8?
- Will archived projects be converted to Blue 8?
- Will existing messages and text rollover from Blue 7 when we update to Blue 8?

Self Enrollment

How does Self-Enrollment work?

- Enable self-enrollment in the Fillout Task > Advanced Options
- Authentication is required to Enable self-enrollment

Advanced options Hide

Access and synchronization

- Allow rater to modify their responses after submitting
- Limit fillout window to specific days and times
- Apply updated task dates to all open tasks
- Changing the dates for open tasks is done automatically every time the project is saved. Any date changes that are made from Project management or a Subject management task will not be overwritten.

Start conditions

- Rater selection
- Rater selection signing
- Question personalization
- Question personalization signing

Authentication

- Require authentication
- Include sign out link
- Enable self-enrollment
- Display demographics in Courses list

*Course & Instructor Evaluation

Hi Scott Abraham, you have been invited to provide feedback for the fo... Show more

Self Enrollment

How does Self-Enrollment work?

- End users (raters) select what to evaluate
- Useful for conference or seminar surveys but can also be used in subject-based surveys
- Can select demographic data to display on selection form (e.g. Department, School)
- Recommend using SSO
- Only available if your Blue instance is hosted with Explorance

Fillout Experience

Can you unselect/clear an answer in single selection and leave it unanswered?

Please indicate your rating.	Please indicate your rating.

Mid-Term Evaluations

How are mid-term evaluations set up in Blue 8?

explorance.

Question Personalization: Copy from previous project

How does QP – Copy from previous project work?

 Enable in the QP Task > Configure > Advanced options

Question Personalization: Copy from Previous Project

How does "Copy from Previous Project" Work?

- Can only select a single past project
- Can copy from projects that were created in Blue 7
- Past project has to use the same definition
- Customized question text of past project is copied

Question Personalization: Question Limits

How do the limits work with Question Personalization?

Project Administrator QP Task Settings — Primary/Secondary Subject Pairings	Question personalization for 101815 Cultures of Modern Canada (Annette Fong) Number of questions: Min: 0 Max: 3 A Maximum number of questions reached for this questionnaire	QP Owner View
(incl. Multiple Secondary)	E Viewall ~ Preview Save	Submit
	 The course instructor expressed an interest in student understanding when explaining course concepts 	Exclude Included

SVM: Tile View Report Access

Can accessing reports from the SVM Tile View be disabled?

If reports are available, they can be accessed here. There is no way to "turn off" this option on the SVM Tile.

SVM: Tile View Opt Out

Will subject tiles still display if an Instructor has opted out?

Rater Selection

Can participants add raters after they have submitted and met the minimum number required?

Access and synchronization

- ☑ Allow modification after submitting
- Allow raters to be members of multiple groups
- Apply updated task dates to all open tasks

Changing the dates for open tasks is done automatically every time the project is saved. Any date changes that are made from Project management or Subject Management task will not be overwritten.

Set the maximum number of times each rater can be invited

Maximum

Task Settings: Schedule

Can schedules be based on start/end time of courses or based on a specific date?

Task Settings: Schedule How do Dynamic Days work in Blue 8?

Dynamic Days/Conditional Scheduling in Blue 8 is all handled within the Tasks Scheduling functionality. All the same features from Blue 7 still exist but are now in one centralized location.

Fillout - Fill Out Task - Normal Duration

 \sim

Select condition type
From date range

Task Settings: Schedule

Is it possible to export the various schedules to check that the schedules were set up correctly?

Schedule Name is included in the Export

"Export Summary" from the Publish tab

		. /		
	Courses Name	Schedule	Start Date	End Date

Task Settings: Schedule Date Format

How are dates formatted in the Task Schedule(s) and can that format be changed?

Task type	Schedule dates
Subject management	Start: 2021-05-19 End: 2021-05-28
Question personalization	Start: 2021-05-19 End: 2021-05-28
Fillout	Start: 2021-05-19 End: 2021-05-29

Task Settings: Completion Certificate

How do the Completion Certifications work?

Thank you message

We put feedback at the core of everything we do. We greatly appreciate you taking the time to complete this learning evaluation.

hank you for providing your feedback.

Enable certificates

User Impersonation

Does Blue 8 allow user impersonation without publishing the project?

Tasks can only be viewed as the end user after the project has been published – same as Blue 7

Poll: Which feature in Blue 8 are you most excited about?

Explorance Proprietary: DO NOT DISTRIBUTE WITHOUT EXPLORANCE'S PERMISSION
