LMS Learner Experience

The screenshot displays the 'Learner View' interface of the Explorance LMS. On the left is a blue sidebar with navigation options: 'Courses', 'My Learning Plans' (selected), 'Enrolled', 'Catalog', and 'All'. The main content area is titled 'My Learning Plans' and features a circular progress indicator showing '3 Learning Plans Total'. Below this, a legend indicates the status of the plans: 0 Met, 0 Warning, 3 Not Met, and 0 Expired. To the right, a list of three learning plans is shown, each with a 0% completion bar:

- Blue 8 360s Administrator Certification Training
- Blue 8 Course Evaluation Administrator Certification Training
- MTM Learning Plan

Invitation Emails from the LMS

You have been invited to an online learning account. ➤

Registration moving to Help Center(s)

- Blue and MTM Training registration pages have moved to their respective Help Center
- Single point of access for training and knowledge-related content

The image shows a side-by-side comparison of two web pages. On the left is the 'Blue administrator certification training overview' page from the Explorance Academy Help Center. It features a blue header with a search bar, a left sidebar with a 'Contents' menu, and a main content area with the title 'Blue administrator certification training overview'. The right page is the 'TRAINING REGISTRATION FORM' for Explorance Academy. It has a blue header with the Explorance Academy logo and a cartoon illustration of two people. The form is titled 'STEP 1: PROVIDE YOUR CONTACT DETAILS' and includes fields for Salutation, First Name, Last Name, Institution/Organization, Unit/Department, and Job Title.

Blue administrator certification training overview

The Blue Administrator Certification (BAC) Training available via an Explorance Academy Subscription (EAS) is the foundation of your learning path to becoming proficient using Blue.

BAC Training is the first level of Blue certification for all users who will be implementing Blue to manage fee processes, such as course evaluations (CE) in higher education institutions, learning evaluations (LE) in L&D organizations, organizational surveys such as exit surveys, and 360 reviews. Participants will be introduced to concepts of Blue and trained on Blue's foundational features and functionalities.

- Who should take Blue training?
- Key topics covered & learning objectives

JOB TITLE:

What's Next?

Building upon best practices in training development and delivery:

- **Additional modularized content**
- **Simulations and additional interactivity**
- **Blended learning/micro-learning**
- ***(...Updates for Blue 8.1 and beyond...)***

FAQs/Q&A

FAQs/Q&A

- **I've already completed the "older" training (or I'm currently going through the "older" training) – am I automatically going to be enrolled in the new training?**
 - No. We are not automatically enrolling anyone into the new training. However, any customer with a valid EAS seat can request access to any of the updated training at any time.

THANK YOU
